GRAVITY BIKE	CLASSIC LUGE
	DOWNHILL INLINE

Frank G. Bonelli Regional Park, San Dimas, California
November 15-16, 2008

Location: Frank G. Bonelli Park is located approximately 30 miles East of downtown Los Angeles and is easily accessible from throughout Southern California on major freeways.

Race Course: Continental Course. The course starts on a moderate incline progressively dropping around sweeping right, left and right corners. When the riders reach the fastest point they will need to hit the brakes to negotiate a hard ninety-degree right hand corner. Once past the corner the road straightens up for a final charge to the finish line. The racecourse is approximately 1km (.6mi) in length not including the run out. Top speeds will be in the 90kph (55mph) range for street luge and 80kph (45mph) range for skateboarding.

Pit Area is located on the street that is traditionally the final straightaway of the Regional course. Competitors must move their vehicles out of the pit area each day by 5:30pm so the street can be opened for traffic.

Classes: All IGSA classes will be offered. Downhill Skateboarding, Street Luge, Classic Luge, Gravity Bike, Fairing Gravity Bike, Downhill Inline. Women's Downhill Skateboard and Junior divisions will be offered for Downhill Skateboarding, Street Luge, and Classic Luge based on demand. Awards will be given to the top three finishers in each category. IGSA Continental level points will be awarded to all sports. The classes are open to all competitors.

Technical Inspection: All racing vehicles and safety equipment will be subject to a strict technical inspection before being allowed on the racecourse. Complete rules and regulations are available at www.gravity-sports.com. Racers don't forget to bring that hanger for the leathers.

Entry Fees: \$120.00 US fee will be in effect for the first class, and \$25 for second class and \$15 for each additional class. All entries need to be mailed to the race organizer and post marked by November 10th or **paid in cash on the day of the event.**
