Wednesday, 09 June 2010

The 6th annual Vernon Downhill is also the IGSA North American Championships once again in 2010. Vernon, BC is the place to be June 12-13 to see the best downhill skateboarders in North America battling it out for the championship.

Taking place in the residential neighborhood of Middleton Mountain in Vernon, BC, the race is unique by running through a residential neighborhood. Extremely kind and co-operative residents have allowed us to have this unique experience of racing down their local streets.
